Overview of Title II Reporting

Title II, *HEA*

- Sections 205 through 208 of Title II of the Higher Education Act, as amended in 2008 (PL 110-315) call for accountability for programs that prepare teachers.
- 59 states and jurisdictions and their institutions of higher education (IHEs) participate in Title II reporting.
- Westat provides technical assistance to states through the Title II Service Center and works with the Office of Postsecondary Education to implement the reporting requirements.

Collection is Mandated by Law

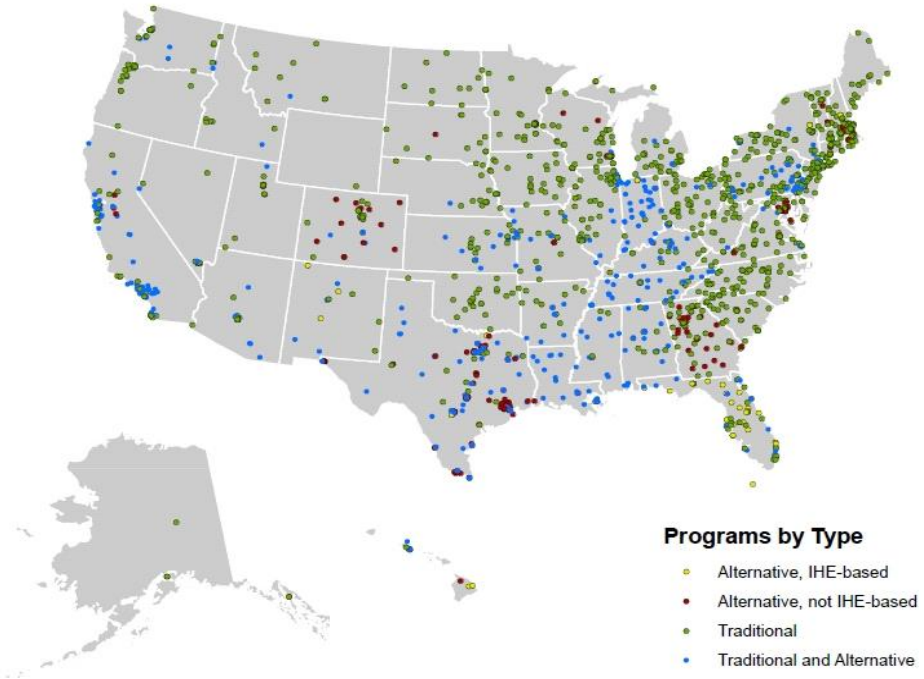
Items are in statute and MUST be collected.

- The U.S. Department of Education has NO authority to eliminate required items.
- The U.S. Department of Education does have the authority to develop definitions and guidance to clarify items.
- The U.S. Department of Education may impose a fine not to exceed $27,500 on an IHE for failure to provide the data in a timely or accurate manner.

Who submits an Institution and Program Report Card?

- Traditional teacher preparation programs
- Alternative route teacher preparation programs based within an IHE
- Alternative route teacher preparation programs that are not based within an IHE (such as district based programs)

Note: alternative routes are defined by the state



Timeline for 2016 reporting

- IPRC reporting system opened on February 10; IHEs were sent usernames and passwords via email.
- Complete the report at your own pace.
- Westat works with testing companies and states to collect pass rate data; pass rates are expected to be uploaded into your IPRC reports by mid-April.
- The certification and submission window is April 15 through April 30, 2016.
- Reports are due by 11:59pm local time on April 30, 2016.

What are the data used for?
